## **Devotional Seed:**

What matters most to God? What matters most to you?

## **Deeper Roots:**

1. What does this passage say about the scriptures and their purpose?
2. How is this passage specific to Timothy? How does it apply to all believers?
3. Why was it important to Paul to challenge Timothy?
4. How can we preach the word with out being “preachy”?
5. What is in season and what is out of season? What is it now?
6. According to Colossians 4:2-6 How do we prepare ourselves to reach out to others?

## **Bearing Fruit:**

1. What evidence do you see that our culture has “itching ears”?
2. What is Central good at? How has God prepared us and gifted us? What about you as an individual?
3. What encouraged you about Kevin and his heart?

## **Branching Out:**

Pray for the Kevin Theissen and his candidating for the outreach and missions pastoral position. Pray that his calling would be clear and for discernment.
