

Growth Points

Learning to pray Because Your Life Depends On It

January 24, 2010

Devotional Seed:

Do you believe that God waits for you to pray? Explain

Deeper Roots:

1. How did Dave define prayer? How do you?
2. Looking at 2 Chronicles 7:14. What conditions does God have for us. What promises does he make if these conditions are met?
3. Many psalms illustrate prayer. Pick a psalm or two at random and read a few verses. What does this say about prayer and praying?
4. How does the Lord's prayer (Matthew 6) offer a template for prayer? What types of prayer do you see?
5. How Does Jesus' example in Luke 22:39-46 explain why we do not always get what we want? What about James 4:2-3?

Bearing Fruit:

1. Will you take the 10 minute challenge? When and how will you pray? Share ideas with each other.
2. Why is prayer hard?
3. Spend extra time together praying as a group?

Branching Out:

Take the 10 Minute Challenge. Find 10 minutes each day to pray. Find a time and a pattern that works for you.
