

# Growth Point

## The Power of Heaven in Everyday Living

March 14, 2010

### Devotional Seed:

What does 'home' mean to you?

### Deeper Roots:

1. What are the different kinds of heart trouble that everyone faces throughout their lives?
2. The word faith can be loosely used to me; believing in something, or even believing something into being. When Jesus uses the word in John 14:1, what does he mean, and how does a person exercise this kind of faith??
3. How do troubles in our life lead us to hope for heaven?
4. If we can't prevent ourselves from having heart troubles, how can we keep heart troubles from occupying our hearts?
5. If heaven is our home, what do you most look forward to in Heaven, why?
6. When you think of heaven (Jesus says its like a big house with many rooms; one prepared for us), what do you imagine it to be like??

### Bearing Fruit:

7. How does knowing that this present life is a temporary assignment prepare you to face heart troubles?
8. How does the promise of being met and welcomed by Jesus into heaven, help you with heart troubles?

### Branching Out:

Plan to use one of the invitations to Easter to invite someone to come with you. Pray that God will give you an unexpected opportunity to invite someone to attend the Easter service.
