Fall 2019

Club 456 Event Calendar

Fall 2019

All events are free and from 7-9pm @ the church unless otherwise posted.

Brain Freeze Games Sept 13th

Don't those first few weeks back in school make your brain feel numb? It's what teacher's like to call, "The Summer Brain Fade." Well to celebrate our summer "dumbness" we are going to play an assortment of fun games while, you guessed it, chugging Slurpee's to slow down our natural response time. It's going to be a pretty *chill* night. I hope you're *cool* with that?

Photo Scavenger Hunt Sept 27th

Teams will be given a leader, a camera, and list of zany photo ideas to capture. Prizes will be awarded for creativity, completion, and of course, the most amount of chuckles!

Nailed It! Oct 18th

Do you like cupcakes? Well if you do then you're in luck because we're having a kid friendly Cupcake Decorating Competition! And if you've never decorated a cupcake before, not to worry, we're having a professional cupcake artist come in and help teach us. How sweet is that!?

To Bring: \$5.00 per person for food costs.

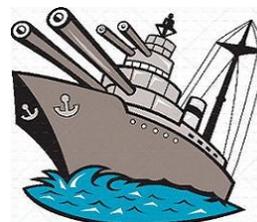

Fall Festival Saturday Oct 26th

Come join in the fun at the church's annual Fall Festival! Pumpkin carving, carnival games, candy, prizes, hot dogs and more! The event will be held at the church from 4pm-6pm.

*Be sure to check out centralbaptistchurch.ca for more details closer to the event date.

To Bring: A costume, some money for food, and the whole family!

Battleship Dodgeball Nov 8th

It's dodgeball with a special twist—you won't be able to see where your opponents are standing! A giant tarp will separate teams from seeing each other as they take turns tossing dodgeballs where they think their opponents will be. It's just like the game of Battleship! Well...kinda...but it sure sounds like fun doesn't it!?

Small Talk Nov 22nd

Most kids will have never heard of this once popular TV game show, but your parents might be old enough to remember! That's why we are inviting them to join us for a night of hilarious trivia. Teams of kids will compete by guessing whether or not each parent can get a question right or wrong. For an idea of how this gameshow works, be sure to check-out: https://www.youtube.com/watch?v=g_1z3Pv29tY

To Bring: There will be a parent sign-up sheet/invite cards so you can invite your Mom, Dad, Favorite Aunt, Grandpa, etc. to join us.
